Advanced Pharmacy Fridges

Advanced Pharmacy Fridge RPFR21043

A large coated steel advanced pharmacy refrigerator designed to store large quantities of temperature sensitive vaccines and pharmaceuticals.

The white and blue enamelled exterior is robust enough to withstand frequent use and the unit comes complete with anti – tilt stainless steel shelves capable of holding up to 70kg, making these medicine fridges ideal for a busy hospital or wholesale pharmacy.

Heavy duty castors mean the Labcold RPFR21043 Advanced Pharmacy Fridge is extremely manoeuvrable and easy to clean behind. In addition, the stainless steel interior is hardwearing and hygienic.

This heavy duty refrigerator can be fitted with an access port and remote alarm contacts at time of manufacture.
