Labcold Standard Range Fridges & Freezers

Standard Fridge RLFR2004

With a robust steel exterior and easy clean plastic interior the large refrigerator from the Labcold standard range is designed to provide laboratory storage at a lower price while still providing the confidence of the Labcold brand and support.

Lower cost production methods have been used in order to offer the best price possible without significant sacrifices in the important areas of function and reliability. That's why this refrigerator features a fan, temperature display and alarms plus is backed by a 1 year UK parts and labour warranty.
